

CITY OF BERKELEY MEASURE GG

GG

MEASURE GG: To enable the City to keep fire stations open and improve

YES

NO

emergency medical response and disaster preparedness, shall a special tax be authorized of \$.04083 per square foot of improvements in dwelling units and \$.06179 per square foot on all other improvements?

Financial Implications: This tax would raise \$3.6 million in the first full year. The annual cost for a 1,900 square foot home would be \$78 and for a nonresidential building would be \$118.
